CASE NOS.: 2003-CAA-00001/00002

In the Matter of:

THOMAS SAPORITO,
Complainant,

vs.

GE MEDICAL SYSTEMS,

and

ADECCO TECHNICAL SERVICES,
Respondents.

NOTICE OF ERRATUM

The parties are advised that there is a minor error in the Recommended Decision and Order Dismissing Complaint ("Decision") issued in this case on October 15, 2004. The Decision, at page 6, incorrectly lists the Complainant's Exhibit CX 40 as being an excluded exhibit. That exhibit, which was referenced several times in the decision, was admitted into the record at page 1122 of the hearing transcript.
